

Almond Joy Cookies

1 cup salted butter, softened
1 ½ cups white sugar
2 eggs
2 ¾ cups flour
1 tsp baking soda
1 tsp salt
2 ½ cups sweetened shredded coconut
1 ½ bags chocolate chips (3 cups)
2 cups peeled, slivered almonds

- Preheat the oven to 350 degrees, and prepare two sheet pans with parchment or silpats.
- In a mixing bowl, cream together the butter and sugar until creamy.
- Add eggs and beat until creamy.
- Meanwhile mix the dry ingredients together in a separate bowl.
- Add the dry ingredients to the mixing bowl and stir until you have a thick cookie dough.
- Add the coconut, chocolate chips and almonds and mix until well combined.
- Scoop the cookies onto the pans and bake at 350 for about 10 minutes. (when you take the cookies out they should still be a bit doughy looking in the middle- they will stiffen up).
