

Emeril's Banana Foster

4 tablespoons butter, cut into cubes

½ cup brown sugar

½ teaspoon ground cinnamon

4 ripe bananas, peeled and cut lengthwise into halves

¼ cup banana liqueur

½ cup Myers rum

Vanilla ice cream

In a large sauté pan, melt the butter. Stir in the brown sugar and cinnamon. Add the bananas and baste them with the syrup for 2 minutes. Pull the sauté pan off the burner. Carefully add the banana liqueur and rum. Place the pan back on the stove and shake the pan a couple of times. The pan should flame, if not, ignite the pan with a match. Shake the pan back and forth until the flame dies, basting the bananas continuously. Remove from the heat
