

Hawaiian Macaroni-Potato Salad

4-5 large potatoes
1 cup shell macaroni- dry
2 cans crab (or 1/2 lb of imitation crab)
2 small celery stalks - chopped
2-3 pickles to taste - chopped
1/2 box frozen petite peas
2 stalks green onion - chopped
4 large eggs, hard-boiled and chopped
salt and pepper to taste
3/4 quart mayonnaise

Boil potatoes until tender. Cool and cut into cubes. Cook macaroni per package directions and cool. Toss with remaining ingredients. The macaroni will absorb the mayo, so you may want to make your salad a day ahead to let the flavors combine. You may want to add more mayo just before serving.
