

Jack Daniels Barbeque Sauce

4 cloves garlic, minced
3/4 cup Jack Daniels
1/2 teaspoon ground black pepper
1/2 tablespoon salt
2 cups ketchup
1/3 cup apple cider vinegar
2 tablespoons liquid smoke flavoring (optional)
1/4 cup Worcestershire sauce
1/2 cup packed brown sugar
1/3 teaspoon hot pepper sauce, or to taste or 1 teaspoon horseradish

In a large skillet over medium heat, combine the onion, garlic, and Jack Daniels. Simmer for 10 minutes, or until onion is translucent. Mix in the black pepper, salt, ketchup, tomato paste, vinegar, liquid smoke, Worcestershire sauce, brown sugar, and hot pepper sauce (or horseradish). Bring to a boil. Reduce heat to medium-low, and simmer for 20 minutes.

I left the Jack Daniels out and I didn't have time to cook it and it was still really great!
